7 SPECIAL REASONS

NORTHERN BELLE'S ANNUAL CHARITY DINNER

There's often more to a number than meets the eye, but for this one night only, 7 has a special meaning...

Our seven carriages will represent the name of seven selected charities which are all individually close to the hearts of our dedicated team members. Enjoy a fine dining experience with a difference that really makes a difference. All profits raised on this night, will be donated back to the charity to continue their tremendous support to those who need help.

Close to our heart: our chosen Charities

THE RAILWAY CHILDREN – ALNWICK CARRIAGE

"For us Railway stations are the starting point for a memorable day out. Sadly for many children they are memorable for all the wrong reasons - a place of abandonment, a place to sleep rough."

James Humphreys and Stephen Weir – Train Managers

ST LUKE'S HOSPICE – BELVOIR CARRIAGE

"St Luke's offer patients the opportunity to make decisions about their own care and then offer a unique support system, available around the clock. I am extremely grateful to the St Luke's team for supporting my family."

Jonathan Rawlinson – Engineering Team Leader

WHEN YOU WISH UPON A STAR – CHATSWORTH CARRIAGE

"The Northern Belle creates unique and unforgettable days out for her passengers. Donating all the profits from this event is a fantastic opportunity to make more dreams reality"

Jeanette Snape – Business Manager

THE CHRISTIE CHARITY – HARLECH CARRIAGE

"Most people know somebody affected by cancer or have been affected themselves. The profits from Harlech Carriage will help improve treatment and fund the ongoing search for a cure."

Andrew Overton – General Manager UK Trains

THE BRITISH HEART FOUNDATION – GLAMIS CARRIAGE

"All the profits from this carriage will enable the Northern Belle to have a heart and help those with heart disease."

Sue McCollum – Operations Executive

MANCHESTER ROYAL INFIRMARY CARDIAC WARD – DUART CARRIAGE

"They quite literally saved my dad's life. I know that it was very hard for dad to get back to a normal routine after such intense surgery – their help was vital"

Madeline Kelly – Train Stewardess

ANTHONY NOLAN TRUST – WARWICK CARRIAGE

"On behalf of my family, I am truly thankful for everyone in the Anthony Nolan Trust who has helped my cousin fight and survive the battle he faced. Let's continue to connect more people to have the chance of life."

Andry Yianni – Marketing Services Executive
