Skydive 2024 information

This year we find ourselves in a Leap Year so what better way to celebrate that extra day than taking to the skies and taking the plunge to complete a skydive! Every day is a gift, something some of our special Wish families know all too well, so we are running our Leap for a Leap Year campaign to encourage you to do something exciting with the extra day you have this year. By taking on this challenge and fundraising for us, you will be helping to grant some very special Wishes for poorly children across the UK.
